STATEMENT BY APPLICANT INSTITUTION

Failure to act favorably upon an application for Membership or renewal of Membership in the National Association of Schools of Dance shall not, in and of itself, constitute grounds for legal action against NASD by the applicant institution or individuals therein.

In all cases when a disagreement cannot be resolved through normal NASD procedures, the institution and the individuals therein agree to abide by NASD Rules of Practice and Procedure entitled “Requests for Reconsideration by the Commission on Accreditation” and/or “Appeals of Adverse Decisions Concerning Accredited Institutional Membership” as set forth in the NASD Handbook. These procedures provide for final action after review in accordance with the rules of the American Arbitration Association.

Upon receipt of an invoice before the visitation for an application fee, and after the visitation, for the expenses of the evaluators, the visited institution agrees to pay the application fee and to reimburse NASD for the expenses incurred by the visiting evaluators.
