PROCEDURES FOR SUBMITTING AN
OPTIONAL RESPONSE TO THE NASD VISITORS’ REPORT

CONTENT OF THE OPTIONAL RESPONSE

The Optional Response to the NASD Visitors’ Report may contain the following:

(1) correction of errors of fact;
(2) conclusions based on such errors;
(3) documented changes made in the program since the on-site visit.

Institutions preparing an Optional Response are strongly encouraged to address any standards issues identified in the Visitors’ Report, item P. (Standards Summary) and in any other sections of the Visitors’ Report. Responses to points in item Q. (Overview, Summary Assessment, and Recommendations for the Program) are not a substitute for responses to standards issues. The current NASD Handbook contains all standards texts serving as reference points for Optional Responses and Commission review. If an issue is mentioned multiple times in the Visitors’ Report, it may be considered once in the Optional Response, and referenced subsequently.
